

Holidays

I was in the park on the May holidays.

I played with the ball and walked.

Walking in the fresh air is very interesting and useful. I like to go out with my mom and my friends

I was in the park with my friends on the May weekend. I have a lot of good friends. My friends and I walk, play and tell each other interesting stories.

- I was at the summer house on the May weekend.
- I like to spend time in the country. I help my relatives, I play on the street
