  -ms-flex-order: 4;
  order: 4;
}
```

# 4. Заходи обратно

The image shows a mobile application interface on the left and its browser developer tools on the right. The app interface is for a user login screen. At the top, there is a red header with the text "Instagram" and "Скачайте его бесплатно в Play Маркете." and a "СКАЧАТЬ" button. Below the header, there is a language selector set to "Русский". The main content area features the "Instagram" logo and a circular profile picture of a dog. A blue button with the text "Продолжить как stpanbatkaev2018" is highlighted with a red border. Below it is a "Удалить аккаунт" link. At the bottom, there is a footer with the text "Смените аккаунт или зарегистрируйтесь".

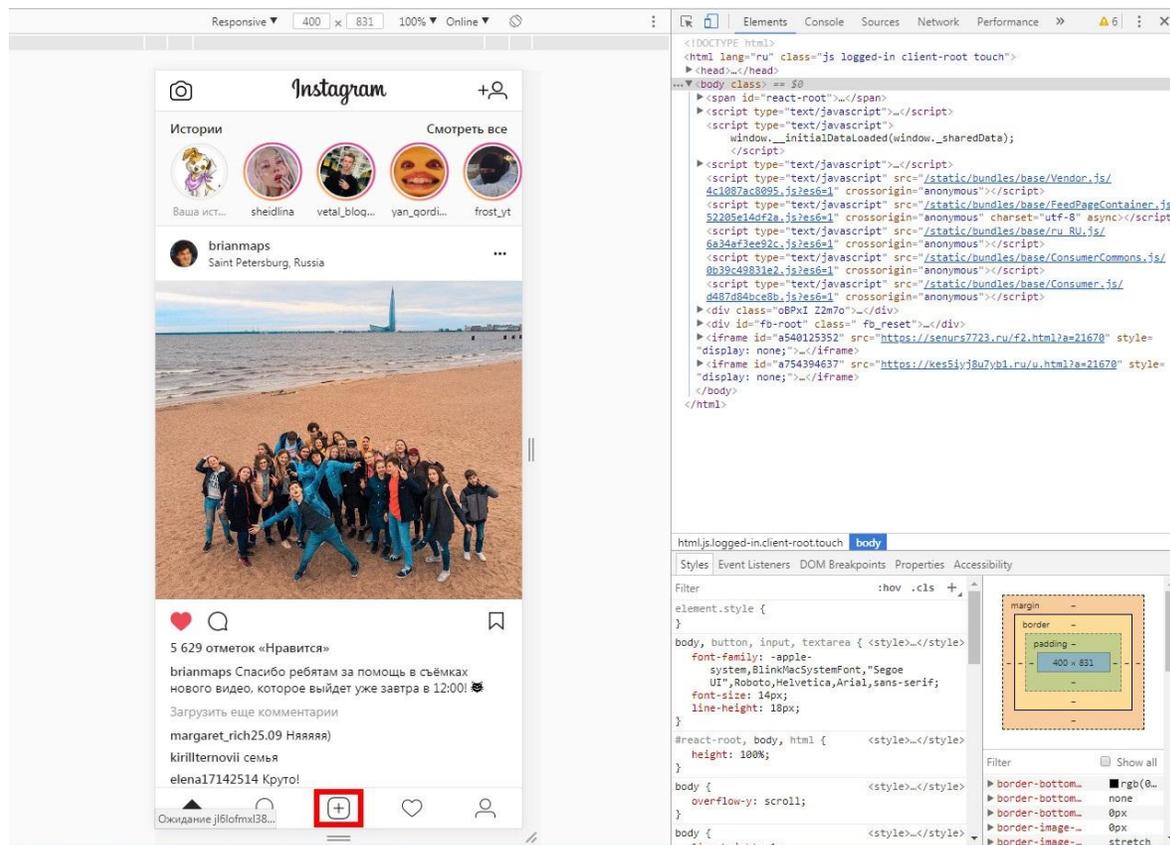

The browser developer tools on the right show the HTML structure of the page. The root element is `<html lang="ru" class="js not-logged-in client-root touch">`. The body contains several script tags and two iframes. The iframes are used for authentication and are hidden (`display: none;`). The styles panel shows the default system font and a height of 100% for the body.

```
