

**WOULD
YOU
RATHER?**

Would you rather...

...be able to fly or be invisible?

Would you rather...

...be talented at all musical instruments...

...or be talented at all sports?

Would you rather...

...forget who you are...

.... or forget who everyone else is?

If you won \$1 billion, would you rather...

...keep it all and share none of it...

...or give it to people who don't have much?

Would you rather...

...only be able to whisper...or only be able to shout?

Would you rather...

... be batman...

...or be superman?

Would you rather...

...have no arms....

...or no legs?

Would you rather...

...do the laundry...

...or the dishes?

Would you rather...

...be telepathic or be psychokinetic?

Would you rather...

...meet your great grandchildren...

...or your ancestors?

Would you rather...

... have a cup that has a never-ending drink (of your choice)

... or have a briefcase that can change into any machine of your choice?

Would you rather...

... be able to end all
hunger and disease...

... or be able to make
world peace happen
forever?

Would you rather...

...follow your dreams,
work hard, and achieve
your dreams later in
life...

...or would you rather
get rich now?

Would you rather...

...live in a simpler time
without electricity,
plumbing, medicine...

... or live in a polluted,
crowded future without
disease or hunger?

Would you rather live where it is ...

...winter every day of your life...

...or summer everyday of your life?

Would you rather...

...be wolverine or be spider-man?
