**SOFT SPOTS**

**ELAXED ELEGANCE**

It's more to a suit than the sum of its parts. Witness the pants about it: There's nothing manish about a SHAPED JACKET and gently pleated pants, but the real drama lies in the editions. Classically FEMININE ACCESSORIES—a silk scarf, diamond earrings, a pearl necklace, a cashmere and wool Ventilo rayon/wool jacket, \$180, and pants, \$210. Bettina teddy tank. Roxanne Assoulin earrings. Hermès scarf and shawl. Corinne Rogers belt. Shopping Guide, last pages.
