

guess the lyrics

Imagine dragons "It's Time"

• So this is what you meant
When you said that you were _____
And now it's time to build from
the bottom of the _____
Right to the top
Don't hold back
Packing my bags and giving the
academy a _____

I don't ever wanna let you down
I don't ever wanna leave this town
'Cause after all
This city never sleeps at night

• It's time to begin, isn't it?
I get a little bit bigger but then
I'll _____
I'm just the same as I was
Now don't you understand
That I'm never changing who I
am

• So this is where you fell
And I am left to sell
The _____ runs through
miles of clouded hell
Right to the top
Don't look back
Turning to _____ and giving the
commodities a rain-check

- So this is what you meant
When you said that you
were spent
And now it's time to build
from the bottom of the pit
Right to the top
Don't hold back
Packing my bags and
giving the academy a
rain-check

I don't ever wanna let you
down
I don't ever wanna leave
this town
'Cause after all
This city never sleeps at
night

- It's time to begin, isn't it?
I get a little bit bigger but
then I'll admit
I'm just the same as I was
Now don't you understand
That I'm never changing
who I am

So this is where you fell
And I am left to sell
The path to heaven runs
through miles of clouded
hell
Right to the top
Don't look back
Turning to rags and giving
the commodities a
rain-check

**Guess the profession of

President of the United States,**

Che Guevara was an Argentine Marxist revolutionary, physician, author, guerrilla leader, diplomat, and military theorist.

**Jennifer Lawrence
is an American actress**

Игра "Соседский КОТ"

Тема:

Прилагательные +
Алфавит.

- На уроке вы произносите, а игроки повторяют с изменением следующую фразу:
 - Вы: *My neighbour's cat is awful.*
 - Игрок А: *My neighbour's cat is boring.*
 - Игрок В: *My neighbour's cat is crazy.*
 - и т.д. по цепочке, каждый раз используя прилагательное, начинающееся на следующую букву алфавита.
 - Участник, не нашедший, в свою очередь, подходящего слова, выбывает из игры. Если группе удалось пройти весь алфавит, то игроки начинают его заново, но уже с другими прилагательными, например: *'My neighbour's cat is angry'* и т.д.
-
