NO TEENS ALLOWED

DO YOU go shopping **on your own**? Lots of teenagers spend Saturday afternoons in shopping malls without their parents, but for some unlucky teenagers, this is going to **come to an end**. The Store is one of America's biggest shopping malls, popular with local shoppers and tourists from different countries. With a theme park inside it, it's especially popular with young people, but it is no longer going to allow unaccompanied

teenagers. If you are under the age of 15, you won't be able to hang out with your friends during quite a lot of the holiday season this year. 'Last year there was quite a bit of **trouble** with young people during the holiday shopping season,' said Jackie First, who works for Safety First, the security company at The Store. 'So this year we are increasing our parental escort policy (PEP), which says that parents must stay with children and young people inside The Store.'

SO, what does this mean? Well, at the moment the parental escort policy says that no one under the age of 15 can enter The Store on Fridays or Saturdays after 4 p.m. alone. But now they will have this rule on other days, including some school holidays.

Jackie First explained, 'The main problem is that some parents think The Store is a **babysitter**. There were quite a few kids aged ten here on their own. These kids are just hanging around in the mall, they aren't doing anything and they aren't spending any money.'

The Store will **introduce** the new rule on Thursday.
