

A vibrant, cartoon-style illustration of a sunny day. A large, multi-colored rainbow arches across the sky. On the left, a smiling sun with a face and arms peeks over the rainbow. In the center, a black and white panda stands on its hind legs, looking up at the rainbow. To the right, a small grey mouse is visible. The foreground is filled with various colorful flowers, including sunflowers, daisies, and purple flowers. The background shows a blue sky with light clouds and a green landscape.
