

Speaking Part 2

CAE

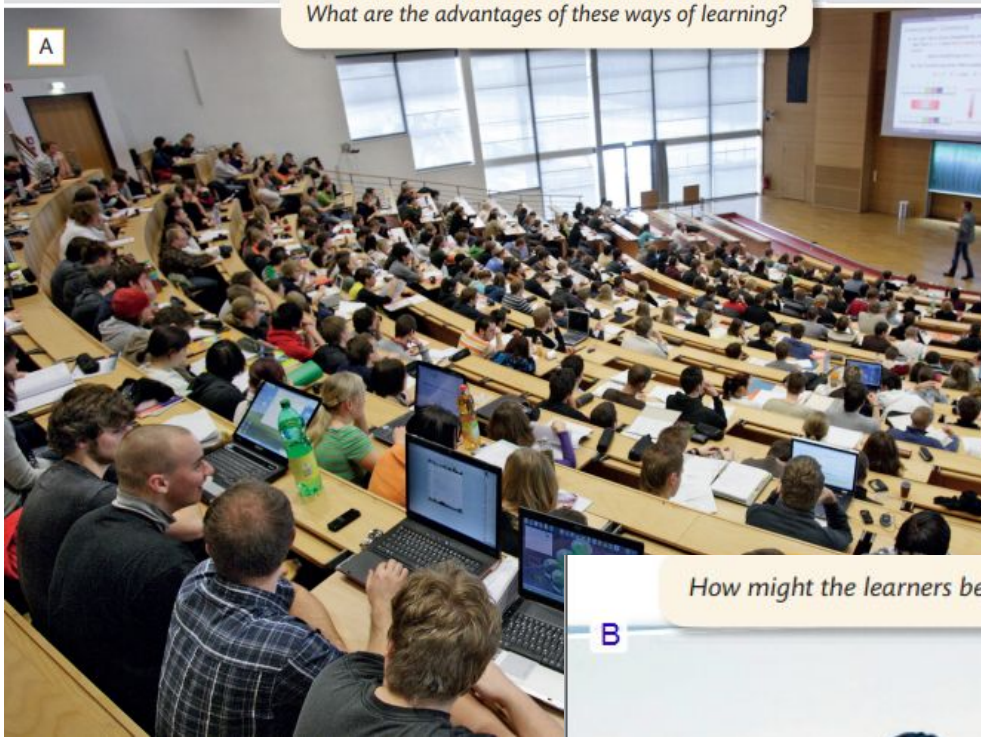

Speaking Part 2

Individual long turn

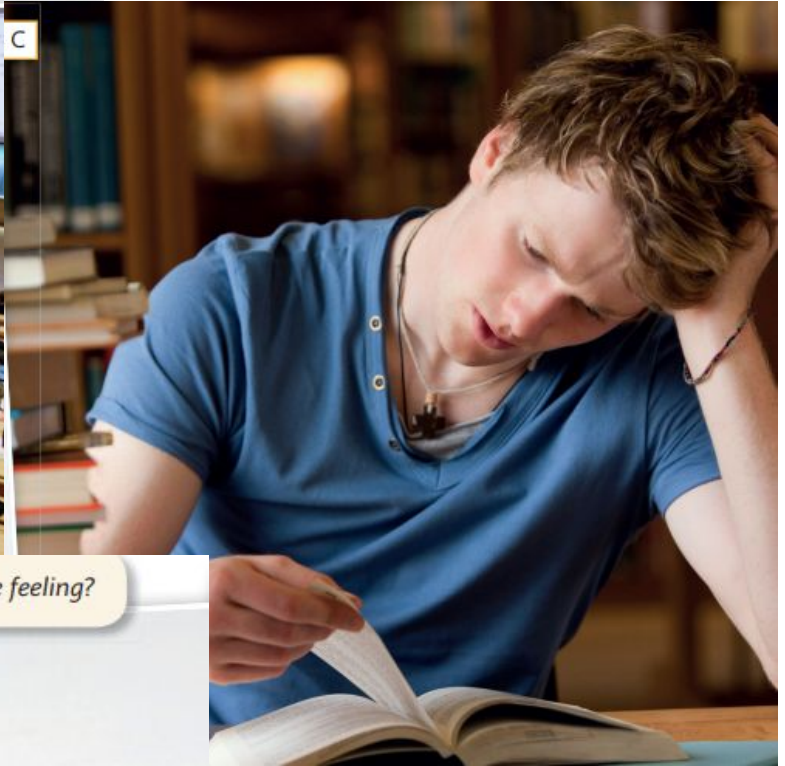

You have to make comparisons and speculate about the situations in the pictures

What are the advantages of these ways of learning?

A

C

How might the learners be feeling?

B

- you have 1 minute to do the task.
- you are given 3 pictures but you can choose only 2 of them.
- you are given 2 questions which are above the pictures.
- answer these questions by describing and comparing the pictures.
- do not focus on factual information.
- make sure you answer the questions in 1 minute.
- talk about the general ideas and do not be tempted just to describe the pictures.
- you will need the language of deduction/speculation/evaluation/comparison
- when you have finished speaking, your partner is then given a follow-up question to comment briefly on the situations (for about 40-45 sec)

It might be the case that...
They could/may/might be doing..
They appear to be doing...
I suppose/assume/imagine that...
It could/may/might be that he/she is....
It`s hard to say, but...
I can`t be sure, but perhaps
Although I can`t be sure, but perhaps..
The impression I get is that...
It`s highly likely that...
As far as I can see...
It looks as if/though
He might have done...
She must have done...
They could have been doing...

-Both pictures show/portray...
-In both pictures ...
-The main similarity between the pictures is that...
-This picture is similar to the other one because..

**-The 1st picture shows...,
whereas/while the other one...**

**In the picture on the left...,
whereas in the other one...**

**The most striking difference between
these two pictures is...**

**This picture is different from that one in
terms of...
Compared to A, B....**

1. Picture A + Picture B

Topic(common things)/general description (10sec)

2. Picture A v. Picture B

Question 1 (20-25 sec)

3. Picture A v. Picture B

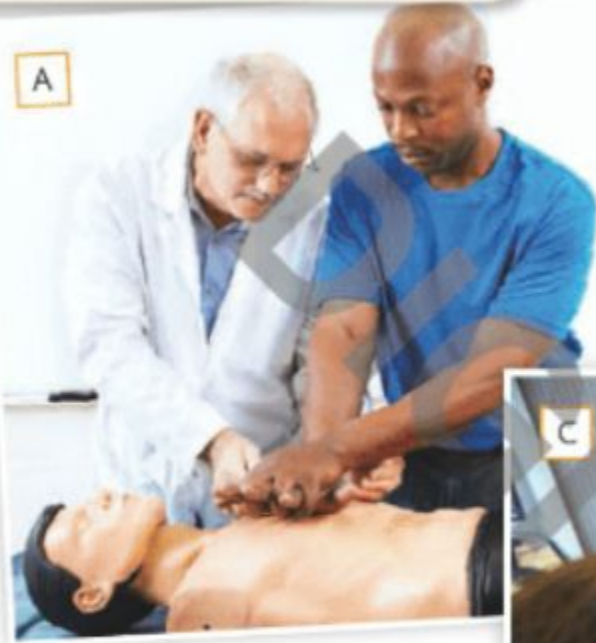

Question 2 (20-25 sec)

Try to do the task:

Exercise 5: Long turn

What might these people be enjoying about these learning situations?

A

B

What might be the disadvantages of learning in these ways?

C
