Unit 6 My home

Emily wrote this letter to her penfriend, Alice, in England.

Dear Alice

News! We have a new flat. The rooms are small but they are comfortable. There are more rooms here than in our old flat. This is good because now I have my own room. In the old flat I shared with my sister.

My bedroom is my favourite room in our flat. I can be alone in it. I can read or draw.

I can listen to my radio or play CDs. I can play games on my computer and send my friends e-mail messages.

My second favourite room is the kitchen. I love helping my mother cook our meals.

She is a very good cook and is teaching me many different kinds of dishes. She lived in Morocco when she was a girl, and she can cook Moroccan food. It's delicious.

That's all for now. Write soon and tell me about your home, and please get on the Internet.

All good wishes

Emily
