The background features a gradient from dark purple on the left to dark blue on the right. It is overlaid with several white circular and semi-circular patterns, some resembling gauges or scales with numerical markings (e.g., 140, 150, 160, 170, 180, 220, 230, 240, 250, 260). There are also dashed lines and arrows pointing in various directions, creating a technical or scientific aesthetic.
