# Engagement & Commercial Brief: Wild Wednesdays

---

## OVERVIEW (READ ONLY)

The **Engagement & Commercial Brief** is a collaborative working document to help facilitate effective communication and planning for our local campaigns.

**Basics/Mandatories:** They express the *what, why, where & when* the campaign exists.

**Market Insight and Shareable Opportunities:**

The strategic thinking that sets the campaign up for success. *Highlight the benefit to the consumer and why they care about this product or offer. How does it help them?*

**Campaign Breakdown:**

The tactical breakdown that gives a holistic view of deliverables, tactics and spend. How is this going to market? Ensure to outline how this campaign is linked to the *overall brand message of being simple and putting the customer first* and consider key activations/sponsorships happening during the campaign period that maybe link to this promotion.

Fill out each section to the best of your ability, and secure approval from your CEO before submitting to DCL's Brand Team to initiate the review process. If you have any questions, please contact a member of the DCL Brand Team.

## INTEL (COMPLETE THIS SECTION)

### Primary & Secondary Objectives

Stimulate Recharge, maintain constant growth on LTE penetration & awareness

Secondary: Increase ARPU by US \$2

### Market Insight (Insight based on each target demo)

Eg.

- Customers with smartphones smiling

### Creative Considerations

Include any pertinent messaging

Eg. Include Couples shopping

### Shareable Consideration

Happy (parents and kids) – “WOW” Effect

### Additional Info

What do the target segments want/ care about?

Eg. Digicel cares about its customers being the leading telecoms comp. in Grenada

What are the actions we need them to take?

Eg. Activate an LTE Freedom Plan, Join the Postpaid Family  
Pay their Bills, view and Share content.

What is the value to the business and customer?

Eg. Increase LTE subscribers, ARPU & revenue

What needs to be improved, recreated or transformed in the customers mind-set?

What should stay as is?

Eg. Customer needs to understand Digicel has them connected with the only island-wide LTE Network and only one giving them Lots of Data and talk
