Module 7a

Hopes and dreams

**The future belongs to those who
believe in their dreams.**

(Eleanor Roosevelt, American politician)

What do you think the people in the pictures have in common? Why do you think so?

So what about you? You may not dream of being a world leader, but perhaps you long to become a lawyer, an astronaut or an inventor, to climb Mount Everest or perhaps simply to do something to help those less fortunate than yourself. At times, achieving these ambitions may seem impossible and, like Abraham Lincoln, you might come up against incredible difficulties. There are some very practical steps you can take to help make your dreams come true....

Believe in yourself

Take steps to achieve your dreams

BE AROUND PEOPLE WHO INSPIRE YOU

NEVER STOP LEARNING
