

Barbara Radziwiłł lived in a castle of Nesvizh with her two brothers, Mikalai Radziwiłł Chorny and Mikalai Radziwiłł Rudy.

Zhygimont's mother, Bona Sfortsa was against the love of Barbara and Zhygimont. When she found out about their marriage, she was very angry and gave Barbara a poisoned ring. Soon Barbara felt seriously ill and doctors couldn't help her.

... After Barbara's death Zhygimont found a **magician** and asked **him** to help **him** to see **Barbara** again. **The Magician** agreed, but said that Zhygimont couldn't touch the **ghost of Barbara**.

But when Zhygimont saw Barbara, he couldn't keep his word. He ran up to Barbara and tried to touch her. Barbara disappeared. And she turned into Black Nun.
