Reading Part 3 Exam Tips

- First, read quickly (skim) the text and get a general understanding of what the text is about. Now carefully read the text again word by word.
- Make sure that you work on one question at a time and carefully compare each option before selecting the right one.
- Have another look at the option you have chosen and check again that it does match the question.
- Questions 11 to 14 are in the same order as the information appears in the text.
- Question 15 looks at the overall meaning of the text.

The answers can be in different parts of the text!!!!

Last week my school got the chance to take part in a week's work experience in The New Forest. We were helping a charity that protects and counts the ponies that live in The New Forest. It was really interesting work so I was excited to be able to take part. The ponies are free to go wherever they want to, which is wonderful, but it also puts them in danger sometimes. I stayed in a beautiful wooden hostel in the middle of the forest with some other charity workers. It was a basic building but warm and cosy and I got a free bed and food while I was working with the ponies. We shared a dormitory with eight beds in it, so at night we chatted to each other and I really got to know everyone.

11. Simon describes the accommodation

- A. as quite uncomfortable, having to share a room with others.
- B. as standard but inviting for guests.
- C. as unexpectedly modern and luxurious.
- D. as expensive, if one takes into account what was offered.

What is strange in the picture?

One of the things that shocked me during my time in the forest was that tourists do not act responsibly in the forest. I can understand that they are excited about seeing the ponies and that they have come to enjoy the beautiful forest, but they don't understand that they shouldn't get too close to the ponies. This isn't because the ponies are dangerous. Actually, quite the opposite is true as they are usually very friendly. They will often

12. What was Simon's attitude towards tourists?

- A. He enjoyed talking to them about animal issues.
- B. He thought they should not be allowed in The New Forest anymore.
- C. He believed they needed to be more educated about the ponies.
- D. He tried to teach them about the wildlife in the forest but failed.

What is strange in the picture?

come up to tourists who are having a picnic and try to steal their food, which is really funny. The problem is that the ponies should not be encouraged to get too close to people in case they start to depend on them.

Unfortunately, many ponies are hit by cars every year. There are several roads that go through the forest and tourists drive way too fast. I don't think people realise that they are causing problems and there should be lots of notices everywhere, telling them how to behave near the ponies.

- 13.** One of the problems ponies face is that
- A. people treat them very badly.
 - B. they live in bad weather conditions.
 - C. they die as a result of car accidents involving tourists.
 - D. they are completely dependent on humans for their survival.

-What can it be?

-It can be...

Generally, it was a wonderful experience and it has taught me that I want to study for a degree in animal behaviour. This is something I wouldn't have thought about before. I'll probably study in London as I love living in the city and I will definitely come and help in the forest again. I'm so happy that I spent the week working with the ponies. It was not only educational and interesting but a lot of fun, too.

14. What effect has the experience had on Simon?

A. He wants to live near the forest.

C. He wants to buy a pony if he can afford to.

B. He wants to study animals at university.

D. He doesn't want to work with a charity again.

-What can it be?
-It can be...

15. What might Simon say about his experience in The New Forest?

A. After spending a week helping in The New Forest, I am more certain than ever that animals need our help and attention.

C. The wild ponies of The New Forest can be quite dangerous and tourists have to protect themselves from them.

B. The New Forest is slowly being destroyed and this is why the government should try to protect it.

D. I joined a project to ban all tourists from The New Forest in order to protect the wild ponies.

What would you like to do on holidays together?

(A)-Shall I start? Let's discuss what activity we should choose . **What do you think about going** to the gym? **To my mind**, it **could** be really exciting for all of us. **Moreover**, the summer is close and we have to be beautiful before the beach.

(B)-Yeah, that's a great idea. Why don't we play table tennis together? We all like ball games ,so it **would be** the perfect way to spend time together. **By the way**, there is a table tennis competition in our school soon. After practicing **we could** win the prize. **How do you feel about that?**

(C)-Yes, that sounds good. Let's start going to the drama club. **I suppose** we are quite talented **because** we are very successful bloggers. **In addition** , it can help us in our future videos.

(D)-That's what I think ,too. Shall we play the guitars more? **Personally, I think** our last musical video was awful because not so many people watched it. **I 'd rather** walk our dogs more because while walking in fresh air and in a good mood we could make up some new stories for our channel. **Do you agree?**

(E)-Well, that's true but if the weather is nasty , **I'd prefer to** go to the library and read some classical books . They **could** inspire us to make some new videos. **Don't you agree with me?**

(F)- I'm not sure it's a good idea. As for me, reading is so boring. **It's difficult to decide but** drama club can be the best variant for all of us. **What do you think about that?**

карточная игра

Тайный Знак

ПРАВИЛА
ИГРЫ

Делитесь на команды, раздавайте карточки, подавайте друг другу тайные знаки и побеждайте!

2. Разделитесь на 2 или 3 команды (в каждой команде должно быть по 2 игрока).
3. Каждая команда договаривается о тайном знаке (жесте или слове), который позволит понять, что у игрока из вашей команды есть пара карт. Соперники не должны знать, что это за знак.
4. Игроки садятся, образуя круг.
5. Перемешайте колоду карт и раздайте поровну всем игрокам.

ХОД ИГРЫ:

Первый игрок вытягивает одну карту из набора участника, сидящего от него по часовой стрелке. Затем тот игрок, у которого только что вытягивали карту, в свою очередь тянет карту из колоды следующего участника, сидящего по часовой стрелке. Так продолжается до тех пор, пока один из игроков не соберет пару карт.

Когда это произошло, игрок подает тайный знак любому участнику своей команды, чтобы тот объявил «Пара!».

Две одинаковые карты!!!

Когда это произошло, игрок подает тайный знак любому участнику своей команды, чтобы тот объявил «Пара!».

- Если в момент объявления в наборе игрока действительно есть пара, команда выигрывает эту пару карт (откладывает в сторону для подсчета карт в конце игры).
- Если нет, команда скидывает в отдельную колоду сброса ранее выигранную пару карт. Если у команды еще нет карт, ничего не происходит. Также любой участник может выкрикнуть «Пары нет!», если ему показалось, что соперники подают друг другу знаки. В этом случае он показывает этот знак остальным игрокам.
- Если это действительно знак команды-соперницы, эта команда передает свою пару команде, которая выкрикнула «Пары нет!». А прежде чем продолжить игру, участники договариваются о новом тайном знаке.
- Если это не знак команды-соперницы, то выкрикнувшая команда теряет ранее заработанную пару карт и передает ее команде-сопернице. Если у команды еще нет карт, ничего не происходит.
