# VIDEO TIME

UST JAKE

- Everyone has to make their minds what to do with their lives. Sooner or later. Always.

# HAVE MONEY TO BURN

- ❑ You're overthinking it. Just take it easy and wear what you want.
- ❑ Is that so?..

# LOOK FORWARD TO

## Something To Look Forward To

---

A couple of months ago we posted the first trailer on the new 'The Great Gatsby' film. Style, great actors, great setting, and hopefully a great movie. Looking forward to seeing this one!

# GET THE MESSAGE

- ◉ You have to speak English in English classroom. Do you get the message?

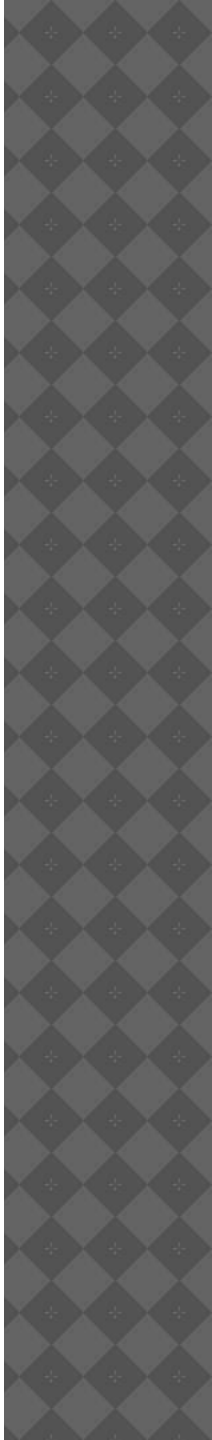

**YOU CAN TAKE THE HORSE  
TO THE WATER, BUT YOU  
CANNOT MAKE HIM DRINK**

**You can lead a horse to water,  
but you can't make him drink.**

# HAVE A GREEN THUMB

THERE IS NO POINT IN...

A woman in a light-colored blazer and dark leggings stands on a sandy beach, looking out at the ocean during a vibrant sunset. The sun is low on the horizon, casting a warm glow over the scene. The ocean waves are visible in the foreground, and the sky is filled with soft, colorful clouds. The overall mood is contemplative and serene.

No point in stressing  
over something you  
can't change. Move on  
and grow stronger.

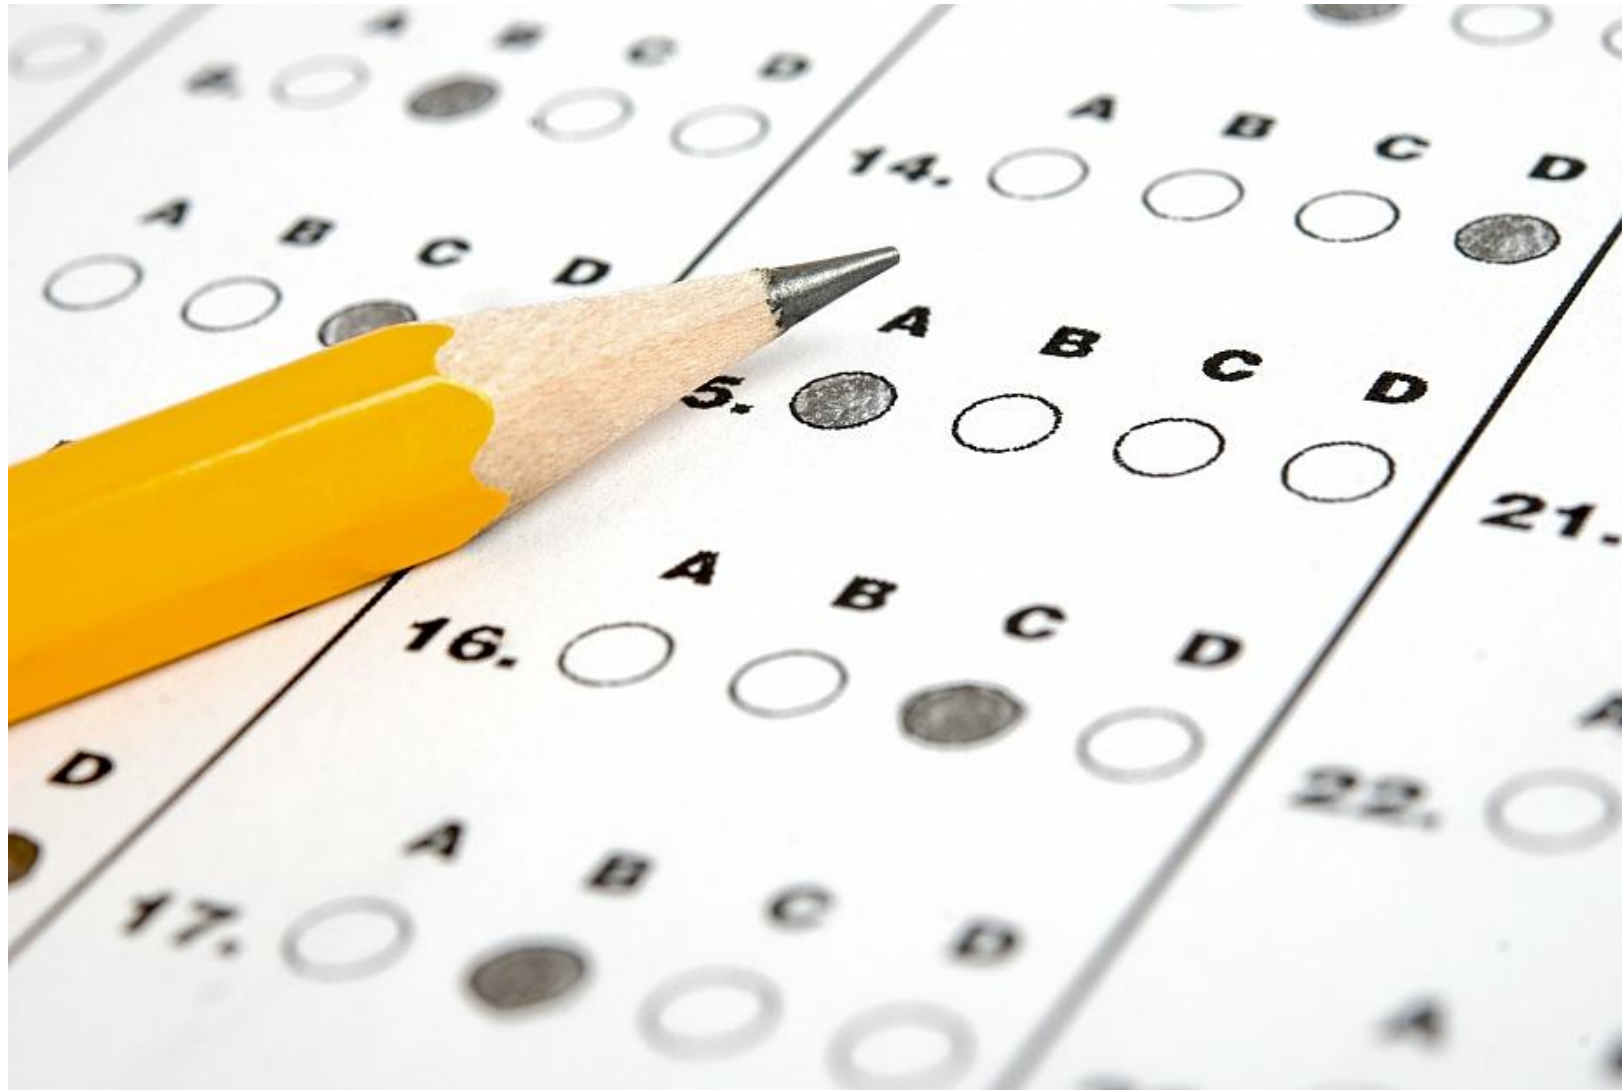

# BURN THE MIDNIGHT OIL

- ◉ I had to burn the midnight oil to get finished with this project before the deadline.

NOW, IT'S HIGH TIME TO TRY TO  
NAIL OLYMPIAD-LEVEL TASKS!

# The End

*Well done!*
