The race of the camels

Useful information for tourists

- The working week starts on Sunday. Friday and Saturday are declared days off. However, shopping centers and boutiques are not closed these days.
- Most of the population speaks fluent English.
- ATMs are located everywhere, but exchange points are located in the south of the capital.
- It is not accepted to walk in the streets with open shoulders and knees.
- Many entertainment establishments have a separate schedule for women and unmarried men.

Thanks for your attention!
