What's the plot?

- The series tells the story of four girls - Spencer, Hanna, Aria, and Emily's friendship which stopped after the disappearance of their common best friend Alison. A year after her disappearance, the girls begin to receive mysterious messages from anonymous «A», who knows all their secrets - including those that only Alison knew - and threatens their disclosure. But Alison is dead. Who sends these messages?

A handwritten red symbol consisting of a horizontal dash followed by a capital letter 'A'. The 'A' is drawn with a single stroke, starting from the top right, going down, then across, and then up to the top left.
