

Наречие

Adverb

# Значение Meaning

- Some indicate time or place of an action (*yesterday, here*),
- others indicate its property (*quickly*)
- others again the degree of a property (*very*).
- "property of an action or of a property".

# Форма Form

Adverbs are invariable. Some of them, however, have degrees of comparison (*fast, faster, fastest*) (following the rules of adjectives).

# Функция Function

(a) An adverb combines with

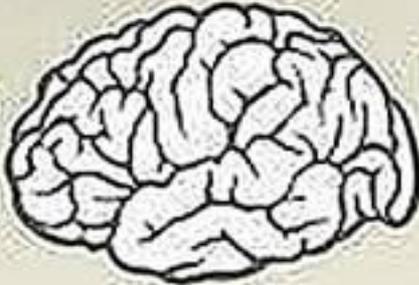

- 1) a verb (*run quickly*),
- 2) an adjective (*very long*),
- 3) occasionally with a noun (*the then president*)
- 4) with a phrase (*so out of things*).

(b) An adverb can sometimes follow

- 1) a preposition (*from there*).

(c) In a sentence

- 1) almost always an adverbial modifier, or part of it (*from there*),
- 2) may occasionally be an attribute.
