Film!

WALT DISNEY PICTURES AND WALDEN MEDIA PRESENT

AROUND THE WORLD IN

80 DAYS

2 The story happens in 1872. How do people move from country to country?

Around the World in Eighty Days

And this is Mr. Phileas Fogg's house.

Mr Phileas Fogg is an English **gentleman**. He lives in London.

He hasn't got a wife or children, but he has got a French **servant** – **Passepartout**.

Fogg goes to his **club** every day.

He eats at his club at 12 o'clock. In the afternoon he reads there. In the evening he eats there again. Then he talks with his friends, and at midnight he goes home.

Passepartout is happy. He wants a quiet job.

But one evening, Fogg sees something interesting in *The Times*.

At the club Fogg's friends talk.

The gentleman **thief** can't go far,' says Ralph,
With trains and **ships**, today's **detectives** move fast.'
But thieves can move fast too,' Flanagan says.

'Today you can go round the world in eighty days,' says Fogg.

'Do it, and I pay you £20,000,' says Stuart.

'I'm leaving tonight,' answers Fogg. 'Perhaps I *can't* do it, Stuart. But then I pay *you* £20,000.'

The train for France leaves before nine in the evening. Fogg must be back in London by 21st December.

Fogg gives £20,000 in a bag to his servant. 'We're leaving for France,' he says. Passepartout isn't very happy.

They go to France. Then they take a train to Italy, and a ship to **Port** **Raid** in Egypt.

When their ship arrives in Suez, an English detective – Mr Fix – is waiting. He's looking for the gentleman thief.

Fogg visits the
passport office.

Mr Fix sees him there. 'It's the gentleman thief!' he
thinks. 'I must tell London.'
