□ In summer, Matvey and I would like to go to exhibition E3.

□ What is this exhibition?

□ This is a demonstration hits and novelties in the gaming industry. But the largest gaming exhibition Electronic Entertainment Expo 2018 has already come to an end and we will remember not so much the announcements as the demonstrations of already known games, which proves the list of the most discussed projects.

?WHY?

- This is a great event for us . You don't know when you can meet a celebrity.
- And I think for a lot of people, it's meaningful.
