A collage of items including a map, a compass, a magnifying glass, a ruler, pencils, and flowers. The background features a map with various geographical details and a compass with a white face and black casing. A magnifying glass is positioned over the map, and a ruler is visible in the lower right. Several pencils in different colors (orange, red, purple) are scattered across the scene. In the upper center, there are several large, multi-petaled flowers in shades of pink, orange, and white. The overall composition suggests themes of exploration, discovery, and study.

Школа, школа...
До свиданья!
Мы прощаемся с
тобой.
Наступил час
расставанья,
Мы пойдём
своей тропой.

THE END
