

Great Britain

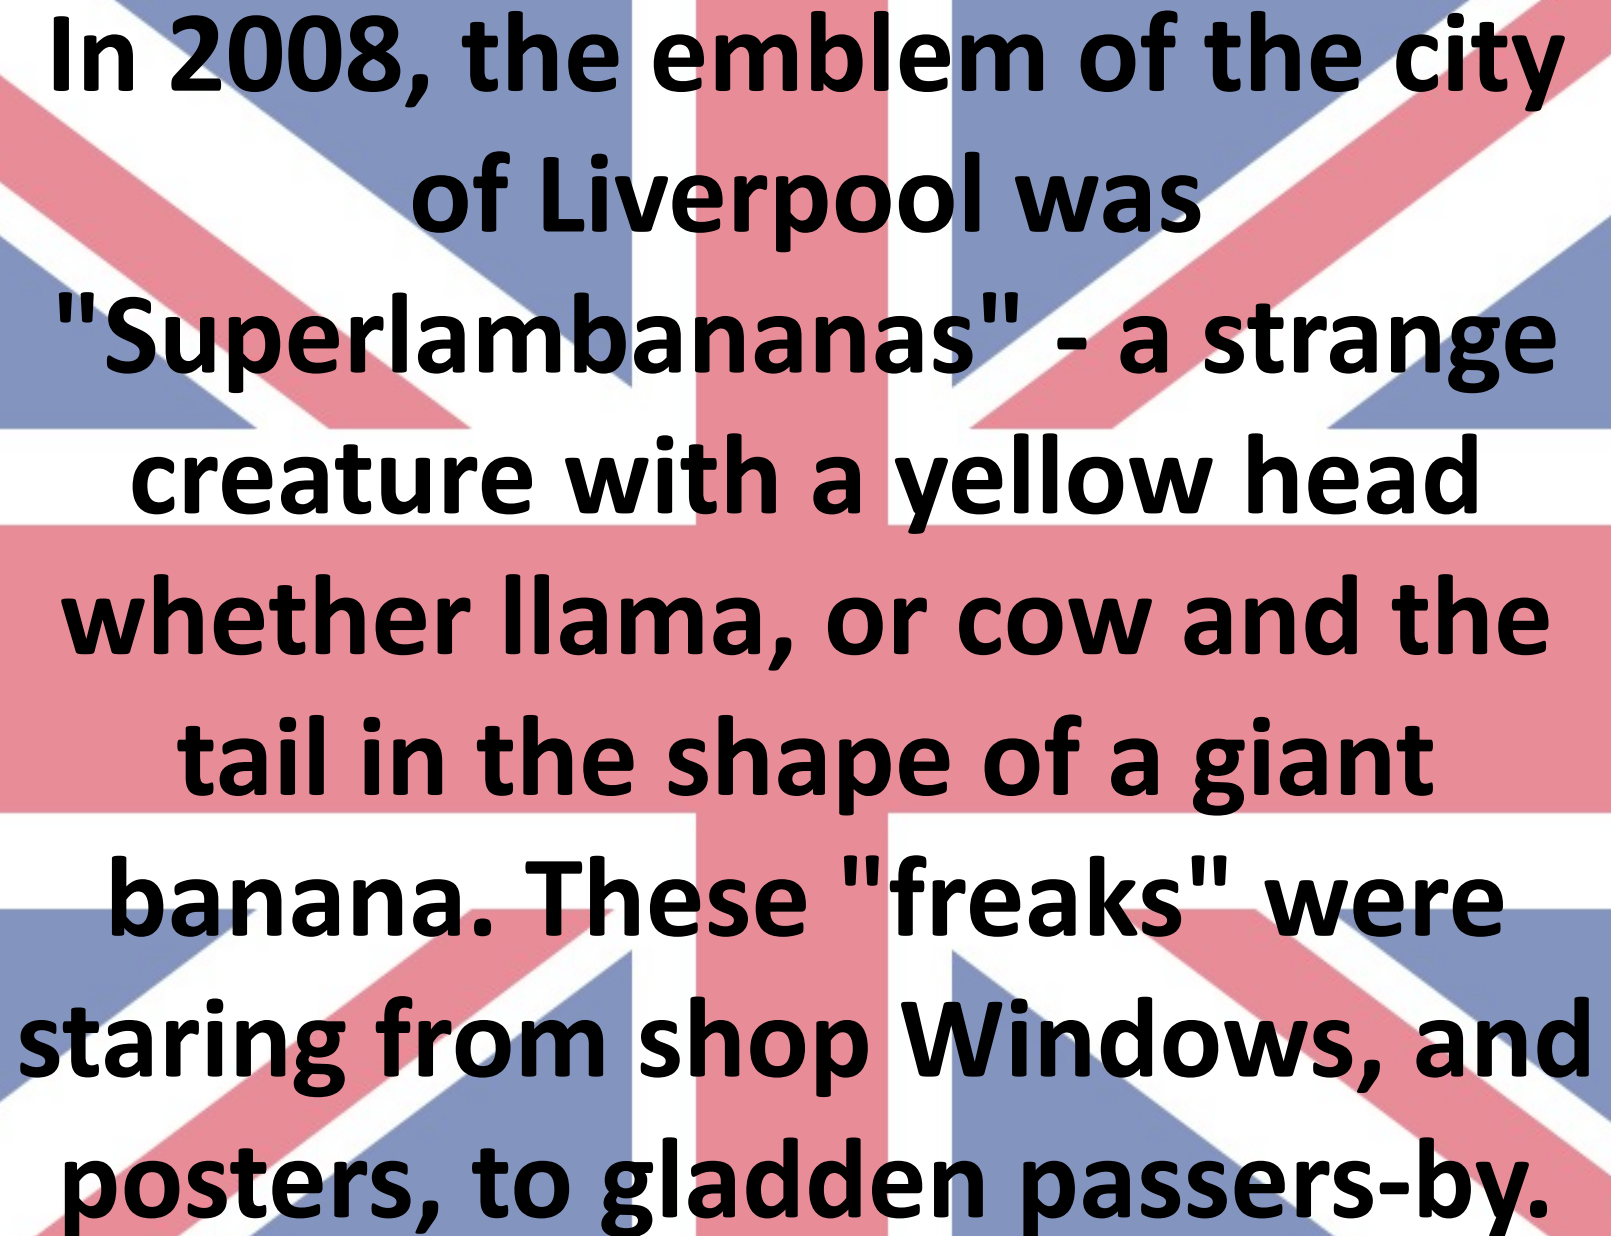

**UK or United
Kingdom is an
island
country in
North-West
Europe.**

**In the UK all
the way
around, rather.**

**It is in this
country
originated
drive on the
left.**

**In 2008, the emblem of the city
of Liverpool was
"Superlambananas" - a strange
creature with a yellow head
whether llama, or cow and the
tail in the shape of a giant
banana. These "freaks" were
staring from shop Windows, and
posters, to gladden passers-by.**

In the UK there is a profession to stand in line.

In the UK there is a very strict law that prohibits to hang the bed from the window.

The English drink more tea than anyone else in the world.
