She loves to listen to music . In his spare time involved in preparing various delicacies , as well as the different dishes of our people. It was as if the cook . I love her preparation food. They are very tasty . Sometimes deals on household chores

Altynai remains a good friend not only in games but also in trouble. Thus , the composition of this friend , I decided to write to her , and no one - else . In the end , this friend always helps me , and not only when I ask. Altynai she often sees that I myself can not cope with anything - else. Then she , without waiting for a request in a hurry to help , or give useful tips. I love her because she's in all situations there next to me and always supported . Always derision of those who offend me . Always it enrage those who hate me. I have great respect for all the good Altynai traits of her character . And also I try to be for her best friend.
