My

neighbourhood

I live in a beautiful neighbourhood. There are a lot of shops and cafes around here. There's a post office right next to the bank. Opposite the bank, there's the newsagent's. There's also a supermarket opposite the post office and a bus station behind the supermarket. Next to it there's the chemist's. Behind it, there's a library. Opposite the chemist's, there's my favourite coffee shop! I like my neighbourhood a lot!

Letter about neighbourhood

Hi Sue,

Thanks for your letter (e-mail). It was great to hear that you are well. I am doing OK too.

As far as I understood, you are going to visit Sevastopol in the nearest future. I think it's a good idea because Sevastopol is beautiful in any season.

In your letter you asked me about my neighbourhood. Well, I live in one of the best areas in Sevastopol called 'Lyotchiki. What I like most about the area is the fact that it is situated not far from the beach. There is also a nice park next to the beach. There are a lot of shops, cafes and restaurants in the area. There are also some sportgrounds and sport centers for those who like going in for sport.

What I don't like about the area is the fact that it is overcrowded in summertime when a lot of tourists come to Sevastopol to have a rest. They leave rubbish and local residents suffer when they see piles of thrown bags everywhere. Local residents take care about their area taking part in different cleaning programmes.

Though, the situation with the rubbish could be changed if there are more rubbish bins.

Well, that's it for all now. I have to do my homework.

Keep in touch,

George
