

Red color in Russia.

Red color in Russia.

- if you ask the people of our country, which symbolizes the color red, then all at once I will tell:
-red-courage.

Red color in Russia.

- but some where this courage is not necessary to show. for example: on the road. because on the road you have to look at the traffic light. and there is also a red light. and he says: STOP.

Red color in Russia.

- but do not talk about very serious. because red light is not only the bravery and danger. but also romance.
- many girls at any age draw the hearts. and then again red light. that is, red means romance.

the results

- that's all for now. the red color in our country
- the romance, the danger, the courage.

thank you for your attention
