Или же хорошие актёры, которые с лёгкостью вживаются в любую роль ?

Это интересно :

Амплуа (фр.emploi — роль, место, должность)

Как одно местоимение так ловко меняет образы?

Сейчас оно в единственном числе, через пару минут
во множественном, а завтра и вовсе вежливая
форма!

Вот это загадка, наверное это восьмое чудо света?!

От теории к практике !

— А вот и нет, это всего лишь на всего чарующий немецкий язык со своими не менее волшебными личными местоимениями !

Посмотрите внимательно на глаголы и определите в каком амплуа стоит местоимение sie перед ним? (Исходя из числа и формы глагола)

— Sie sagen, dass sie noch zu klein sind und sie zu groß ist ?

Амплуа №1

3 лицо ед.ч

sie=она

или же главная
женская роль ;-)

Sie

Амплуа №2

3 лицо мн.ч

sie=они

или же несколько
ролей в одном
флаконе:)

Амплуа №3

вежливая форма
обращения

Sie= Вы

«Вся жизнь театр, а люди в ней
актёры».

А в нашем случае немецкий язык -
это театр, а местоимения в нём
актёры ;-)
