

Survive in Taiga forest rules

You must know which mushroom
or berry is edible.

A brown bear is walking through a forest. The bear is brown with some lighter patches on its back and is looking to the right. The forest has many trees, some with green leaves and some with yellow leaves, suggesting autumn. The ground is covered with grass and small plants. The text "You must know what to do if you meet a wild animals." is overlaid on the bottom of the image.

You must know what to do if you meet
a wild animals.

You must have a matches.

You must know where north or south.

You must can find a water

A primitive shelter constructed from a dense pile of sticks, branches, and twigs, forming a conical shape with a dark, shadowed entrance. It is situated in a lush, green forest with many trees and ferns. The ground is covered with dry leaves and twigs.

You must can find a shelter.
