

# Survive in Taiga forest rules

You must know which mushroom  
or berry is edible.

You must know what to do if you meet  
a wild animals.

You must have a matches.

You must know where north or south.

You must can find a water

A primitive shelter constructed from a dense pile of sticks, branches, and twigs, situated in a lush, green forest. The shelter is a simple, conical structure with a dark, shadowed interior. The surrounding environment is filled with tall trees and dense foliage, creating a sense of being deep in the woods. The ground is covered with dry leaves and twigs.

You must can find a shelter.
