I was in Omsk!

in all areas of Omsk was! Omsk is a very wonderful city! In this city Of -30 in Winter And in Summer is +30! All suggest to go there! This town is not like a village! There is also a Mega and even different continents! This town is a millionaire! It was founded in 1716. Officially received the status of the city in 1782! Initially this city was a reference of hard labor! But then it was made an ordinary city!
