CLIMATE

WHAT TO PACK

In winter: bring very warm clothes, a fleece, a parka, a hat, gloves, a scarf, and warm boots.

In summer: bring light clothes, T-shirts and shorts, but also long pants, a jacket and a sweatshirt for the evening and for cool days, and a raincoat or umbrella.

WHAT TO PACK

Take clothes for any weather. Give preference to clothes in which you will feel comfortable - jeans, windbreaker, sneakers. Don't forget about the scarf: the wind is a frequent visitor to the British Isles.

Welcome to Great Britain!
