Now listen and read and check your answers.

Hi! It's Gary here, lead singer. Today I'm writing the band's blog at a special event in a skate park. We've got photographers and reporters with us, but we aren't singing at the moment. One reporter, Ali, is asking us lots of questions: "What do you normally do on Saturday afternoons? What are you doing today?" We tell Ali about our lives. We often travel from one city to the next on Saturday afternoons. Then in the evening we usually play live in concert. We don't normally skateboard! Today there are lots of skate boarders around because we're filming our new music video. They're doing some amazing tricks. I love the video!
