

# Title of the project

Student's name

# Outline of the project

- 1.
- 2.
- 3.
- 4.
- ...

# Part I. Heading

- 1-8 questions answered in bulleted points, in short, with no huge texts, with all sources cited properly (3-8 slides)...

# Part II. Article title 1. (Authors)

- Research problems/questions
- Methodology
- Findings

## Part II. Article title 2. (Authors)

- Research problems/questions
- Methodology
- Findings

## Part II. Article title 3. (Authors)

- Research problems/questions
- Methodology
- Findings

## Part II. Article title 4. (Authors)

- Research problems/questions
- Methodology
- Findings

## Part II. Article title 5. (Authors)

- Research problems/questions
- Methodology
- Findings

# Conclusion

---

Synthesize all your articles by

Finding what is **common or different** between their

Research problems

Methodology sections

Findings sections
