The company "LITE RENT" provides car rental services of passenger class without a driver. The company has been operating since 2013 and is a serious market participant.

Our team consists of 25 people and is the best in customer service based on feedback from our dear customers and partners.

Since its foundation, our company has established itself as a reliable and comfortable service. Since 2013, it started its activity with 4 cars and has undergone tremendous growth in this business. At the moment, the fleet consists of more than 170 cars from economy to premium class.

Our advantage:

- We provide cars for rent with little experience and age
- Round-the-clock customer support
- There is always a replacement car
- Individual approach to each client
- Transfer throughout the city and region
- Provision of cars for purchase
- Long-term cooperation with legal entities.
