

"Country where I would like to live"

What is Dubai famous for?

Dubai is the most populated city in the United Arab Emirates (UAE) and the capital of the Emirate of Dubai. Established in the 18th century as a small fishing village, the city grew rapidly in the early 21st century with a focus on tourism and luxury.

Most people would say Dubai is known for wealth, skyscrapers, luxury shopping, expensive cafe and restaurants, and Arabs driving expensive cars on desert roads.

The most famous symbol of modern Dubai – Burj Khalifa. Finished in 2009, the skyscraper is the tallest construction on the planet, rising to the height of 828 m.

Why I want to live in Dubai?

I want to live in this city because it's luxury and popular place. Even in the winter there is a warm and sunny weather. Also I think there are a lot of wealth men. I think a rich husband is a good husband (but it's not the most important)

Thank you for your attention!
