

FITNESS TRAINERS

In the next 10 years, the number of such specialists will grow by 39%, as we become healthier and exercise more. Right now there are 300 000 vacancies in the fitness market in the USA. According to forecasts, in 2030 we will have 420 000 new jobs every year in this market.

The average salary is 40.000 dollars a year. To become a fitness trainer, you need special training. But often this training takes only a few months, so there is no need to get a bachelor's or master's degree in fitness education.
