

A background image of the Chicago skyline at night, viewed from across a body of water. The Willis Tower is the most prominent building, with its top lights glowing. Other skyscrapers are visible, their lights reflecting on the water. The sky is a deep orange and red, suggesting sunset or sunrise. A white rectangular box is overlaid on the center of the image, containing the title and author information.

"ILLINOIS IN THE USA"

Made by student MOEK-251 Bykova Irina

STATE OF ILLINOIS

Illinois is a state in the Midwest. The population of "Land of Lincoln" (this is the official nickname of the state) is just under 13 million people, the fifth largest in the United States.

HISTORY OF ILLINOIS

The name comes from an Indian tribe living on this land in the 19th century.

The state is also called the state of cacti, because there are a lot of these plants.

GEOGRAPHICAL POSITION

STATE SYMBOLS

On the white background of the flag of Illinois is the state seal, which depicts a bald eagle perched on a stone. In its beak, the bird holds a ribbon with the state motto: "Sovereign State, Union of Nations."

RIVERS AND LAKES OF THIS STATE

There are more than 500 rivers in the state (the largest is Illinois), connected by a navigable canal to Lake Michigan and 950 lakes.

An aerial photograph of the Chicago skyline at sunset. The sky is a mix of orange, pink, and purple. The city's skyscrapers are silhouetted against the bright horizon, with some windows glowing with light. The Lake Michigan is visible in the distance on the left.

BIG CITIES OF ILLINOIS

There are 8 cities in the state of Illinois. The largest city in the state is Chicago, and the third largest city in the United States of America. Located on the Sangamon River, the city of Springfield is not only the state capital, but also the birthplace of the sixteenth American president, Abraham Lincoln.

STATE NATURE

Almost all of Illinois is hilly plains, elevations rise only in the northwest. There are more forests in the south of the state, it is here that one of the largest protected forests in the United States is located - the Shawnee National Forest.

STATE ECONOMY AND LABOR MARKET

There are several large industrial enterprises in the northeast of the state. The southern territory is rich in such natural resources. In the central part, enterprises of the agricultural sector are concentrated, the food industry is well developed.

FUNNY LAWS OF ILLINOIS

A photograph of a two-story brick building with a central cupola topped by a rooster weather vane. An American flag and a green flag with a circular emblem fly on a tall pole to the right. The building has multiple windows with dark shutters and a central entrance with a small awning. The foreground shows a paved parking lot with yellow markings. The entire image is overlaid with a semi-transparent pinkish-red filter.

MOVIES THAT WERE FILMED IN THIS STATE

FILMS

"Home Alone" part 1,2

All parts of the movie "Halloween"

SERIES

Most of the series was filmed in the city of Chicago. One of my favorite series "Shameless" was filmed in this city.
