

Moscow

Dubinkina Daria 9 A

Moscow is the capital of the Russian Federation, a city of federal significance, a hero city.

The largest in Russia by population, the most populous of the cities, located entirely in Europe, is among the top cities in the world by population.

Moscow is also the political, economic, culture and scientific center of the country. The **Moscow** Kremlin, Red Square, Novodevichy Monastery and the Church of the Ascension in Kolomenskoye are included in the UNESCO World Heritage List.

- Date of foundation of the city : first mention 1147
- The date of the hero city of Moscow is celebrated on September 5

VDNKH

VDNKH is an exhibition complex in the north-east of Moscow, one of the 50 largest exhibition centers in the world, the second largest in the capital. The main exhibition of the Fatherland impresses not only with its grandiose territory, but also with the splendor of architectural monuments and museum expositions presented here. VDNKH is one of the most visited and popular places in Moscow, both among tourists and residents of the capital.
