The illustration shows an open notebook with a white background. At the top, the word "Энергия" is written in large, bold, black Cyrillic letters, flanked by two red lightning bolts. Below the title, there are four energy sources: a blue sports car, a red steam train, a solar panel, and a glowing yellow robot. To the right of the car is a battery icon with a red bar indicating a full charge. A cartoon boy with brown hair, wearing a blue and yellow striped shirt and blue shorts, stands next to the robot, pointing at it with a concerned expression. The background of the notebook pages is filled with faint, illegible text.
