The illustration shows a notebook page with the title 'Энергия' (Energy) at the top, flanked by lightning bolts. Below the title, there are four energy sources: a blue sports car labeled 'Двигатель топливо бензин' (Engine fuel gasoline), a red train labeled 'Гаровая Электростанция' (Steam power station), a solar panel labeled 'Солнечная Батарея' (Solar battery), and a glowing yellow robot character. To the right of the robot is a battery icon with a red bar indicating a low charge level. A cartoon boy with a worried expression stands next to the battery, pointing at it. The background of the notebook page is filled with faint, illegible text from other pages.
