How do people in England protect the environment?

How do you protect the environment?

The project "Green Tree"

- I promise to...

Today and tomorrow

1. Today you are going camping
With your family, friends or class.

Please help us, don't drop any
litter!

'Cos your litter lives longer than
us!

2. Today you cut down your
forests

But the planet needs our leaves.

Please stop it because tomorrow

You'll have no air to breathe!

Refrain:

'Cos nothing is forever

And nature is getting tired.

If we don't stop and think today

Tomorrow the Earth could die.

3. You can have a bath or a
shower

But today is the time to think.

Save the rivers because without
them

You'll have no water to drink.

4. Today we are still in your
forests,

In the sky, in the rivers, but
look:

Don't kill us! Because your
children

Will see us in picture books.

Refrain:
