

It's Difficult to Imagine

IT'S AS AN INVENTION

By the end of the 20th century lots of inventions have been made.

Some of them have become so commonplace that it is difficult to imagine them as inventions.

Листратова Ольга Владимировна

учитель английского языка

МКОУ МВ(С)ОШ при ФКУ ИК – 3 УФСИН России по Амурской области

Цели урока:

- Развитие речевых умений учащихся по теме, проведение скрытого контроля уровня развития речевых умений.

Задачи урока:

- активизировать употребление лексики по теме «Изобретения, которые потрясли мир»;
- контроль уровня сформированности грамматических навыков;
