The Information Space of our school.

109 computers

81 notebooks

Safe Security Programmes.

Anti-virus Software.

Complete Security Suite.

The web filtering software.

Firewalls.

Do you feel safe surfing the Internet?

1. Do you use the Internet at home?
2. How many hours a day do you use the Internet?
 - 1-2 hours; 2-4 hours; more than 4 hours.
3. Do you use Security Programmes? (What are they?)
5. Have you ever heard of the Internet Filtering?
6. Do you have an Internet Filter at your home computer?
7. Do you feel safe surfing the Internet? (at home /at school)

Do you feel safe surfing the Internet?

The background of the slide features a blue sky with soft, white clouds. Scattered across the scene are several 3D '@' symbols. Some are dark grey and arranged in a diagonal line from the top right towards the center. Others are a light yellow color, with one large one in the bottom left foreground and several smaller ones scattered around it.

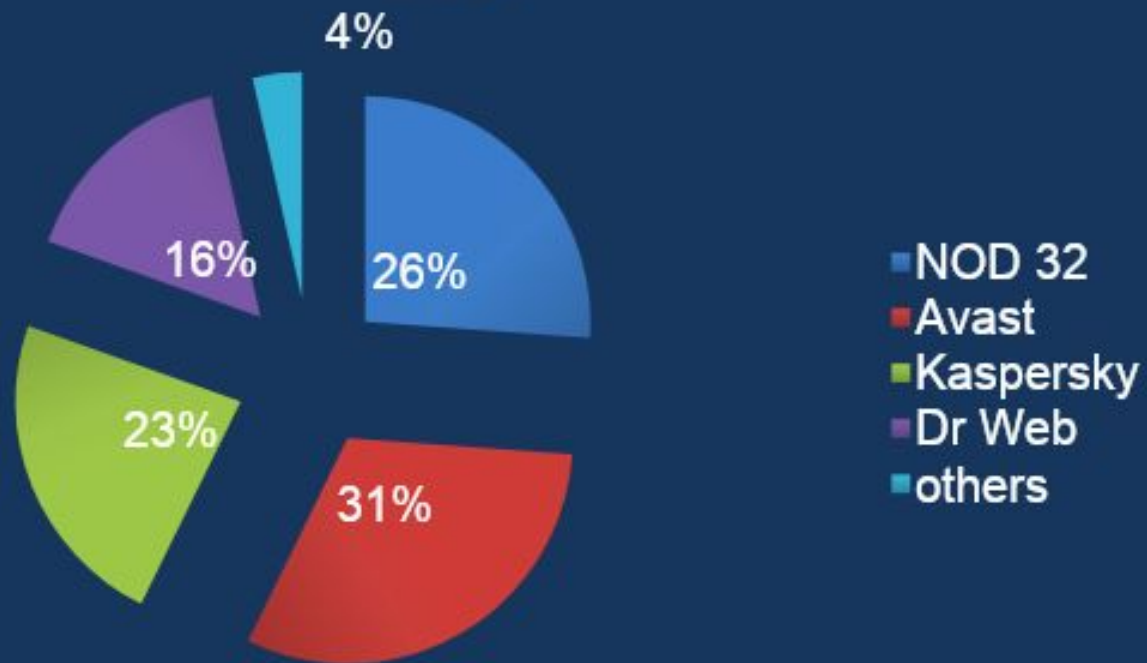

96% use the Internet regularly

Students spend 2-3 hours a day surfing the Internet

98% have the Anti-virus Software on their home computers.

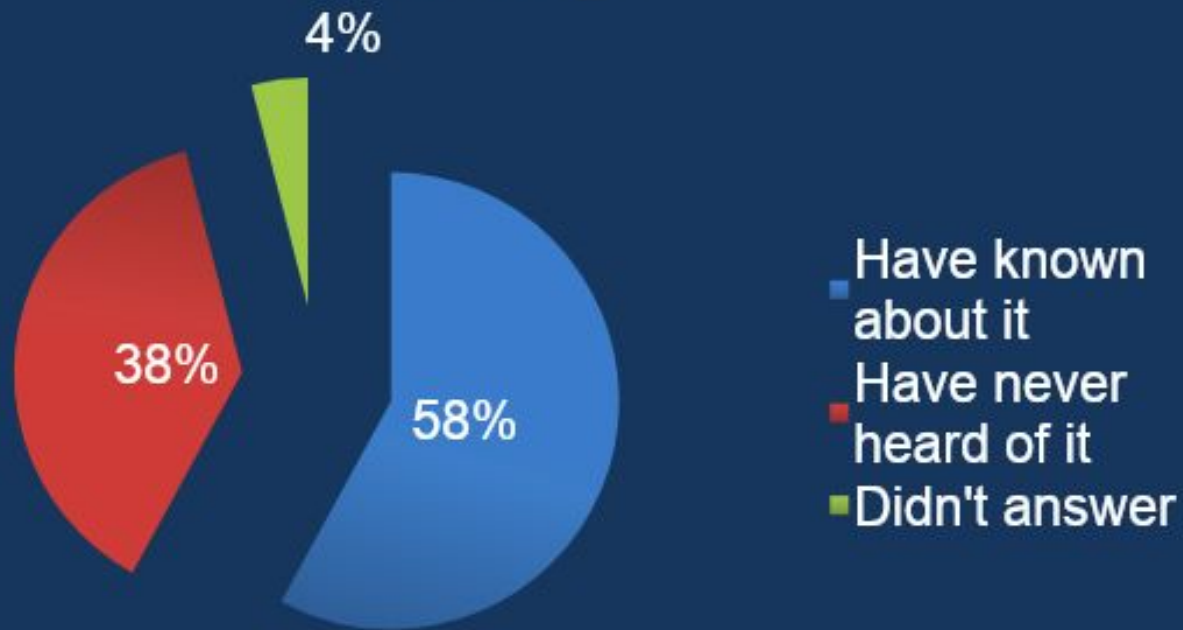

Do you feel safe surfing the Internet?

What kind of security programme do you use?

Do you feel safe surfing the Internet?

Have you heard of the Internet Filtering?

The background of the slide features a blue sky with soft, white clouds. Scattered across the scene are several 3D-rendered '@' symbols. Some are dark grey and appear to be floating or resting on a surface, while others are a bright yellow and are more prominent in the foreground. The overall aesthetic is clean and modern, suggesting a digital or internet-related theme.

Do you have an Internet filter at your home computer?

10,4% of home computers are protected by the Internet Filter.

19,2% - don't know if their home computers have the Internet Filter.

More than 80,4% of students don't have Internet filters at home computers.

How does it work?

What is the Internet
Filtering?

The main results

- **We have realized the necessity of spreading knowledge about the Internet badware.**
- **There are many computer security programmes on the market today.**
- **The more we know about the problem – the better.**

The background is a blue gradient with a grid of white @ symbols. A blue speech bubble is centered in the foreground, containing text. The text is in a dark blue, bold, sans-serif font. The speech bubble has a white outline and a white tail pointing towards the bottom left.

Thanks

for your attention!

The Internet is
not a game - it's your life!
