

Presentation Title

Subheading goes here

A large, 3D rendered graphic of the year '2014'. The digits are stylized and colorful: the '2' is red, the '0' is yellow, the '1' is light blue, and the '4' is yellow. The numbers have a glossy, metallic appearance with highlights and shadows, giving them a three-dimensional look. They are set against a light yellow background with a faint, dark blue silhouette of a city skyline in the background.
