

The image features three lit candles against a dark background. On the left is a tall, cylindrical candle with a scalloped top edge. In the center is a round candle, and in the foreground is a smaller, round candle. All three candles have bright, yellow-orange flames. The light from the candles creates a warm, orange glow that illuminates the surrounding area. A horizontal band of this same warm orange color spans across the right side of the image, serving as a background for the text.
