A photograph of a forest during autumn. The trees are covered in bright orange and yellow leaves, with some dark brown trunks visible. The ground is covered in fallen leaves. A yellow rectangular box is overlaid at the bottom of the image, containing the text "It is autumn." in white.

It is autumn.

Autumn months are September,
October and November.

Days get shorter, nights get longer.

The weather is dull, nasty, rainy, windy.

The sky is grey and cloudy.

The sun is not bright.

Владимир Чинин

It often rains in autumn.

Nature prepares for winter sleep.

Birds fly away to the South.

Animals prepare food for winter.

Trees are brown, red, yellow.

Insects look for hiding places.

Autumn is a harvest time.

Autumn gives us tasty fruit and vegetables
