

# The Doctor's Advice

Учитель английского  
языка МОАУ  
«Гимназия №7»  
(полного дня)  
Перепеляк Татьяна  
Геннадьевна

# Listening Comprehension Lesson

## The Doctor's Advice

### Цель урока:

- развитие навыков аудирования;
- тренировка навыков монологической и диалогической речи

# Listening Comprehension Lesson

## The Doctor's Advice

*Let's read the following words.*

*Translate them.*

medicine, temperature,  
bad, bed, day, age, have,  
shall, gentleman, again,  
later, and, help

## *Answer some questions:*

- 1) Does anyone in your family smoke?
- 2) Do you like it when people smoke?  
Why?
- 3) Is smoking good for health? Explain your opinion.

*Let's learn some new words from the blackboard and remember the difficult words you can meet in the story.*

**a quiet country place – тихая сельская**

**местность**

**to have a rest – отдохнуть**

**pretty soon – очень скоро**

**to start smoking – начать курить**

**a cigar – сигарета, сигара**

## *Make a sentences:*

You will recover ...

One cigar ...

It's not a joke...

The doctor asked him ...

To go to ...

# *Say true, false, don't know*

1. The doctor listened to the gentleman's lungs and heart.
2. The doctor asked him to go to a quiet country place for a year.
3. The doctor told a gentleman to smoke just one cigar.
4. The gentleman came back two months later.
5. The doctor said that the gentleman didn't look younger.
6. The gentleman said that he felt all right.
7. He didn't want to go to bed early, to drink a lot of milk and walk a lot.
8. The gentlemen liked smoking.

## *Choose the correct answer.*

1. a) The doctor asked the patient how he felt.  
b) The doctor listened to his lungs and heart, felt his pulse and blood pressure and took his temperature.
2. a) The doctor advised to go to a quiet country place for a month to have a rest.  
b) The doctor advised him to start smoking.
3. a) He didn't look younger and felt bad.  
b) He looked much younger and felt all right.
4. a) He went to bed early, drink milk and walked a lot.  
b) He didn't have a good rest.
5. a) I think the doctor was a good specialist.  
b) I think the doctor was not clever.

# *Translate sentences from Russian into English:*

- 1) Как ты себя чувствуешь? – Не очень хорошо (я болен).
- 2) У Маши Болит горло и голова.
- 3) Анна простужена. Она чихает и кашляет.
- 4) Доктор вчера мне выписал лекарство от простуды.
- 5) Доктор сказал, что осмотрит больного.

*Describe the picture. Make a dialogue.  
Act out the dialogue.*
