FUNNY STORIES AT THE CUSTOM'S POSTS.

Officer of the British migration service, working in one of the airports listed as a terrorist ...

His wife

When this unhappy appeared
at the airport, she was not
allowed to visit england for 3
years.

During this time she could not sit even for a plane flying, not only in England but throughout Europe

This behavior of his wife did not like the British. In the end, he decided to teach her.

Bummer with skis.

We have tourists come to ski!

out of an order that prohibited the shuttle from the ship, and he all this time walking on the deck, drinking vodka and mother of customs officers.
