- Japanese caught from the Pacific Ocean more than 140 thousand dollars

That evening he returned to  
catch and found in the networks  
of a massive bag.

- According to the laws of Japan, if the owner of the missing items are not asserting itself within 6 months, the discovery will be given to the finder.

**Thus, April 27, 2012 a fisherman  
might become the owner of the  
catch of 11 million yen.**
