

# *New village: the example of agrotourism*

**Prepared by Beznuchuk Bogdan, Beloglazova  
Yulia and Primakova Maria**

# Project location

- **Arzamas** – one of the largest city in Nizhny Novgorod Oblast, located on the Tyosha River
- **Krasnoye** – the village in Arzamasskaya district

Krasnoye has an enormous hidden touristic potential because:

- it has a pure continental climate with mild winter and summer
- It is a periphery that locates between such major cities as Kazan and Moscow
- ecological situation allows realize project without any injuries for vacationers

# Why should we choose Krasnoye?

Developed transport and engineering infrastructure

Situated on the intersection of rail lines that connect:

- Moscow and Kazan
- Nizhny Novgorod and Penza

There is also highways that connect:

- Nizhny Novgorod and Saransk
- Arzamas and Murom

Engineering communications provide Krasnoye with regular supply of:

- pure water from southwest of Arzamas district
- natural gas from north to south (from Saratov to Cherepovets)
- electricity from power plant «Arzamasskaya» that located to the north

# Why should we choose Krasnoye?

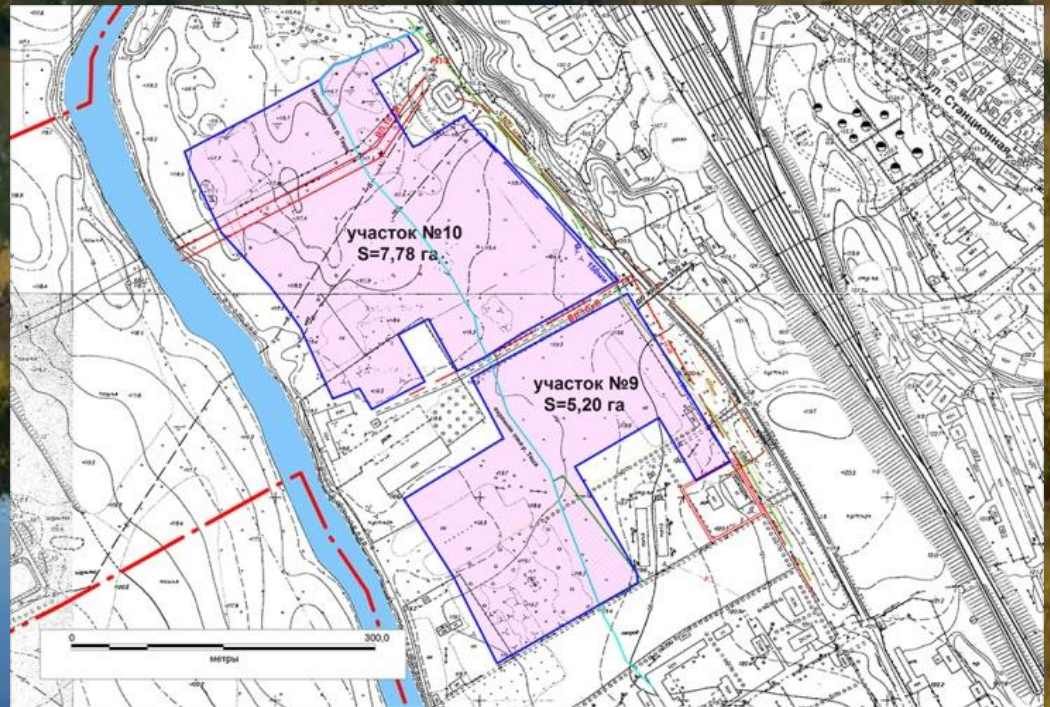

Existence of green investment platform

↓

This type of area has benefits and preferences. Local government and Ministry of Regional Development of Russia

↓

There is 7 platform in all for «green» business

Investment area 9 and 10

# Why should we choose these areas?

- The largest investment area in Krasnoye (almost 14 hectare)
- Railways station locates within 2 km from area
- Domestic buildings locate within 2 km
- Access to the infrastructure allow developer decrease costs for its construction

# Preferences

- Government of Nizhny Novgorod region provides entrepreneur with subsidies

- They are directed for compensation 2/3 of refinancing rate
- OR**
- Compensate 50% of credit issued in foreign currencies

The subsidies provide in case of:

- Project value for tourist industry in the region
- Optimal efficiency indices (Investment volume)
- Creation hotel-tourist complexes
- Development the sphere of additional service

The preferences provide for the 5 years term

A full-page background image featuring a bright sunset over a vast field of golden wheat. The sun is a glowing orb on the horizon, casting a warm, golden light across the sky and the field. The sky is filled with soft, wispy clouds in shades of orange, yellow, and light blue. In the distance, a line of trees is visible against the horizon. The foreground is filled with the detailed texture of the wheat stalks. A semi-transparent white rounded rectangle is centered over the image, containing the word "Summer" in a brown script font.

The background of the image is a scenic landscape at sunset. The sky is a mix of deep blue, teal, and orange, with wispy white clouds. The sun is a bright, glowing orb on the horizon, casting a warm light across the scene. Below the horizon, a line of dark trees is visible. In the foreground, a field of tall, golden-brown grass or wheat is in focus, with some stalks reaching up towards the center of the frame. A large, semi-transparent white rectangle with rounded corners is positioned in the middle of the image, serving as a backdrop for the text.
