

Hello, today I tell you about
the Cambridge University.

CAMBRIDGE UNIVERSITY

INFORMATION ABOUT THE UNIVERSITY

The University has grown from a gathering of people of the city of Cambridge that was formed in 1209 by scholars who left Oxford due to the fact that Oxford student killed a woman from the city. In 1214 were made formal University rules. It was administered by the rector and the program with exams at the end of the year. In the middle ages all knowledge about the world obtained in the monasteries. The main difference from the monasteries became the learning Sciences, philosophy, logic, mathematics. The universities of Cambridge and Oxford are often together referred to as "Oxbridge". However, these universities have a long history of rivalry with each other.
